Florida Skin Center Raises Nearly \$8,000 for Skin Cancer Foundation

FORT MYERS, Fla. (May XX, 2018) — Florida Skin Center raised \$7,700 for the Skin Cancer Foundation during their third annual 5K — ‘Take Your Skin to a Better Place,’ sponsored by Aurora Diagnostics, Colorescience, BDB Consulting, Jan-Pro Cleaning Systems Southwest, Chase for Business and Wear the Fund — for malignant melanoma on May 12th.

JetBlue Park in Fort Myers welcomed over 100 walkers, joggers, runners and supporters who received refreshments, official 5K T-shirts, a photo opportunity with the Florida Skin Center mascot, warmups by Around the Clock Fitness, race time tracking by Timed Events, and live entertainment by Y100 Florida and Dj Cease.

Lloyd Mpmaza and Manuela Lyons took first place in the 5K, coming in at 20:06:28 and 20:31:54 respectively and receiving a \$500 award. Top teams and top participants also received medals for their support of Florida Skin Center during Melanoma Awareness Month. A complete list of participant statistics is currently available at Timed-Events.com.

“We made the good people of Southwest Florida aware of the dangers of skin cancer, but last weekend, they were the ones saving lives,” Anais Aurora Badia, M.D., D.O., Founder. “Their commitment to our efforts inspires us to do that much more for the communities we serve, and when the people we serve tell their friends within

the State of Florida and elsewhere about what our providers have taught them, this cause continues to spread and touch everyone.”
