Florida Skin Center Takes On Fourth Physician Assistant

FORT MYERS, Fla. (Sept. XX, 2018) – Florida Skin Center has hired a fourth physician assistant (PA) – Soledad Triana. Now at the Fort Myers location (13691 Metropolis Avenue), she provides routine skin checks to patients, as well as performs biopsies and excisions, among other on-site dermatological procedures.

Triana is affiliated with the American Academy of Physician Assistants (AAPA), Florida Academy of Physician Assistants (FAPA) and National Board for Respiratory Care (NBRC). In addition to being a Fellow Member of the Society of Dermatology Physician Assistants (SDPA), she has completed a multitude of clinical rotations throughout the region as a physician assistant student. They include pediatrics, family medicine, internal medicine, surgery and emergency medicine. Following her clinical rotations, she received Florida Skin Center dermatology training under the supervision of Founder Anais Aurora Badia, M.D., D.O., and Shirisha Vallarapu, PA-C.

A graduate of the National University of Mar del Plata in Argentina, Triana went on to receive a Laurel Dawn McNew Scholarship for Respiratory Care to attend the former Edison State College. There, she made the Dean's List, became a member of the Lambda Beta Society – the National Honor Society for the Profession of Respiratory Care – and graduated with an associate degree in respiratory care. Triana then earned a Master of Medical Science – Physician Assistant – from Nova Southeastern University, also in Fort Myers.

The trilingual (English, Spanish and Portuguese) PA is National Board of Respiratory Care-certified in neonatal/pediatric respiratory care and a Florida Department of Health-registered Respiratory Therapist, with three years of professional experience at Fawcett Memorial Hospital in Port Charlotte. Triana is also proficient in Epic Medical, Meditech, Amazing Charts and athenaNet – medical technology systems.

“Soledad brings a lot of unique qualifications to our dermatological practice,” Dr. Badia said. “Her background in various types of medicine and expert forms of medical software, coupled with her multi-language fluency, will allow us to accommodate more diverse patient populations in an even more efficient way.”

To schedule an appointment with Triana, call (239) 231-1465.

About Florida Skin Center

Florida Skin Center opened its doors in 2001. Currently with offices in Fort Myers, Cape Coral, Lehigh Acres and Punta Gorda, Florida Skin Center maintains a focus on excellence in patient care, with same-day, early-morning and walk-in appointments readily available. Patients are greeted with spa-like treatment, including a hot towel, juice or coffee, and can view informational videos as they wait for a provider to assist them. Insurance and billing are handled on-site, and scheduling is strategically constructed to move a patient’s day along as he or she desires. Call (239) 561-3376. Online at FloridaSkinCenter.com.
