## **Florida Skin Center Practice and Founder Voted "Best" in Lehigh Acres**

LEHIGH ACRES, Fla. (March XX, 2019) – Florida Skin Center and its founder, Anais Aurora Badia, M.D., D.O., have been voted the "Best" in Lehigh Acres, based on write-in votes cast by readers of the *Lehigh Acres Citizen*.

Located at 615 Williams Ave., Florida Skin Center's Lehigh Acres office opened in 2016 as the dermatological facility's third location, based on Dr. Badia's research of the city being medically underserved and in need of bilingual physicians.

Today, Florida Skin Center is one of only two dermatology practices in Lehigh Acres, and Dr. Badia is the only Board-certified pediatric dermatologist within 100 miles of Lehigh Acres and Lee County as a whole. In addition to Dr. Badia's fluency in both English and Spanish, Board-Certified Physician Assistant (PA) Soledad Triana is trilingual in English, Spanish and Portuguese.

Triana joined Florida Skin Center in October 2018 as the fourth PA on staff, just a few months after Dr. Badia extended her office hours at the Lehigh Acres location. Now, Dr. Badia accepts patients every Monday and every other Thursday from 7:35 a.m. until 12:20 p.m. and 1 p.m. until 4:30 p.m., with aesthetic services after 4:30 p.m. by appointment.

“Just the other day, Florida Skin Center marked the year-to-date guest count at 236 – a record-setting number for us, and that’s due in big part to our Lehigh Acres guests who hold us in such high regard,” Dr. Badia said. “Choosing this location as our third home has proven to be just as valuable for our providers as it has for those they serve. As the city grows, Florida Skin Center grows with it and will continue to choose Lehigh every day.”
