Florida Skin Center adds physician assistant

Florida Skin Center has hired a fourth physician assistant - Soledad Triana - who is fluent in English, Spanish and Portuguese. Now at the Fort Myers location, 13691 Metropolis Ave., she provides routine skin checks to patients, as well as performs biopsies and excisions, among other on-site dermatological procedures.

Triana is affiliated with the American Academy of Physician Assistants, Florida Academy of Physician Assistants, the National Board for Respiratory Care and the Society of Dermatology Physician Assistants as a Fellow Member. She has completed a multitude of clinical rotations throughout the region as a physician assistant student. They include pediatrics, family medicine, internal medicine, surgery, cardiology, obstetrics/gynecology and emergency medicine.

To schedule an appointment with Triana, call 239-231-1465.
