Florida Skin Center to Mark Children’s Day with Free Pediatric Skin Checks

LEHIGH ACRES, Fla. (May XX, 2018) — Florida Skin Center will celebrate Children’s Day by offering complimentary pediatric skin checks on Saturday, June 9th, from 8 a.m. to 2 p.m., at the Lehigh Acres office (615 Williams Avenue). This is the dermatological facility’s seventh annual occasion of its kind.

Parents and guardians can expect their infants, toddlers and teenagers to be examined and treated for hemangiomas (blood-red birthmarks), congenital nevi (dark moles on newborns), eczema, acne, dry skin and many more common skin conditions.

The public can receive information on Florida Skin Center’s free skin check campaign, happening now at all four Southwest Florida locations. Information on general dermatology services offered by all facility providers, as well as Mohs surgery offered exclusively at the brand-new Punta Gorda office, will also be on hand. Additionally, staff will be available to book appointments, as Founder Anais Aurora Badia, M.D., D.O., has recently extended her hours at the Lehigh Acres location to accommodate both English- and Spanish-speaking patients.

Children’s Day skin checks will conclude with offerings for the whole family, such as refreshments, shaved ice, snacks, raffle prizes and giveaways, and a bounce house.

“Kids have extra sensitive skin, so driving home the importance of full-body examinations and skin condition awareness can spare them future struggles,” Dr. Badia said. “This event is a way to keep them healthy without feeling like they wasted hours of weekend enjoyment. To demonstrate just how dedicated we are to this cause, we have extended this annual event by three hours. So, take advantage of our expertise and commitment to children’s health on June 9th and every day of the year.”

No reservations are necessary for this event. For more information, call Florida Skin Center at (239) 561-3376 or visit @FloridaSkinCenter on Facebook.
