Florida Skin Center provides free skin checks to more than 100 children

Lehigh Acres location celebrates successful Children's Day 2017

LEHIGH ACRES, Fla. (June XX, 2017) – Florida Skin Center's Lehigh Acres location commemorated Children's Day with 104 complimentary pediatric skin checks. Despite a rainy June 10th, young patients and their families filled two waiting rooms to play with toys, eat snacks, watch Disney favorites and blow bubbles with colorfully-dressed staff as they waited to be examined and treated for skin cancer, eczema, acne, dry skin and much more.

While vendors like Baby Boot Camp-Estero & Fort Myers Central provided information to mothers about effective workouts, such as stroller fitness, mat-based classes and running programs, as they waited for their children, and Family Music Time piqued children's interest in instrumental classes, Pelican's SnoBalls greeted attendees with free snow cones, and a clown entertained youngsters as music played in the background. Even the Lee County Sheriff's Office brought their K-9 Unit to interact with the children. The day concluded with two bike raffles, following a visit from the first Children's Day event winners.

"This annual event allows us to remove our lab coats and step into the life of a child, as we continue to protect our pediatric guests against the most dangerous skin infections and diseases," said Anais Aurora Badia, M.D., D.O., Founder. "Our providers prioritize each patient in a personable way, and Children's Day 2017 is proof that Florida Skin Center is continuing to succeed in that approach."
